BOOK SYNOPSIS

The wars of Napoleon are among the best-known and most exciting episodes in world history. Less well known is the uproar the armies stirred up in their path, and even more, the chaos they left in their wake. The knock-on effect of Napoleons sweep across Europe went further than is often remembered: his invasion of Spain triggered the collapse of the Spanish Empire in Latin America, and his meddling in the Balkans destabilised the Ottomans. Many places had been riven with banditry and popular tumult from time immemorial, characteristics which worsened in the havoc wrought by the wars. Other areas had known relative calm before the arrival of the French in 1792, but even the most pacific societies were disrupted by these conflagrations. Behind the battle fronts raged other conflicts, little wars - the "guerrilla" (the term was born in these years) - and bigger ones, where whole provinces rose up in arms. Bandits often stood at the centre of these dirty wars of ambushes, night raids, living hard in tough terrain, of plunder, rapine and early, violent death, which spread across the whole western world from Constantinople to Chile. Everywhere, they threw up unlikely characters - ordinary men who emerged as leaders, bandits who became presidents, priests who became warriors, lawyers who became murdering criminals. In studying these varying fortunes, Michael Broers provides an insight into a lost world of peasant life, a world Napoleon did so much to sweep away.

NAPOLEONS OTHER WAR BANDITS REBELS AND THEIR PURSUERS IN THE AGE OF REVOLUTIONS - Are you looking for Ebook Napoleons Other War Bandits Rebels And Their Pursuers In The Age Of Revolutions? You will be glad to know that right now Napoleons Other War Bandits Rebels And Their Pursuers In The Age Of Revolutions is available on our online library.
