BOOK SYNOPSIS

This book expands on the framework established in the original volume of Quality Teaching in a Culture of Coaching. It provides many examples that can be incorporated into any educational environment. It outlines the why, who, what, and how of a sound coaching program. The new edition adds sections on the impact of learning styles on coaching, extends the connections between coaching, mentoring, and supervision, and includes instructional coaching. It contains updated examples of various coaching models in place, including international examples.
