BOOK SYNOPSIS

Jackson Steele and Sylvia Brooks are back in the powerful finale of a provocative, sizzling-hot trilogy set in the world of J. Kenner's beloved Stark novels: *Release Me*, *Claim Me*, and *Complete Me*. He's the only man I've ever loved, and the one man I can't bear to lose. Jackson Steele is my light in this world. Charismatic, bold, and always in control, he knows what he wants and how to get it—and absolutely nothing stands in his way. His hold on me is magnetic, his claim on me complete, his kiss my ultimate escape. We both harbor dark secrets that could tear our lives apart. Though we've tried to bury our pasts, there are certain people who won't let us forget. But the closer danger comes, the brighter the fire between us burns—our ecstasy consuming and soothing us both. There's no telling what lies ahead, but I know that Jackson never gives in without a fight. I'd do anything he wants to keep him safe, give him anything he needs. And now that we're in deep, nothing can make me run. *Under My Skin* is intended for mature audiences. Praise for *Under My Skin* "Intense . . . blistering in its sensuality . . . Fans of [J.] Kenner's sizzling and emotional Stark International trilogy will find plenty to savor in this finale, as her troubled and passionate protagonists battle to save each other from the darkness that threatens to tear them apart."—RT Book Reviews "Red-hot and angsty . . . Kenner keeps readers guessing about who was responsible for Reed's death until the very end, punctuating the story with hot and explicit sex scenes, questions about who's trying to destroy the resort project that could make Sylvia's career, and a red herring or two."—Publishers Weekly "Kenner does a wonderful job of displaying both Jackson's and Sylvia's secrets, pains, insecurities and the mechanisms they use when the stress is overwhelming. . . . A great series about determination, strong personalities, perseverance and standing strong under adversity. . . . A wonderful read!"—Fresh Fiction "This trilogy has everything readers look for in a series. . . . It's loaded with intrigue, mystery, conflict, and a powerful cast of supporting characters. At the same time it is a tender, beautiful romance between two people that have struggled with their pasts. . . . This book was intense, heartbreaking, emotional, and a page-turner."—Smut Book Junkie "Filled with all of the drama and seduction I have come to expect and love from J. Kenner, *Under My Skin* was a crazy-hot story that left me completely satisfied with our characters' HEA."—Harlequin Junkie "Amazingly well written with detailed and complicated characters who are full of raw emotion, passion, and intensity . . . When Jackson and Sylvia are intimate, their passion is explosive and filled with wild desire. . . . The Stark International Trilogy is a must-read!"—About That Story "This story has all the passion, love, heat, and nitty gritty, provocative sex you have come to love from the first two books."—Itsy Bitsy Book Bits "Kenner mixes a hot alpha man with a murder accusation, sabotage and sex so hot you'll fall to your knees. . . . And throughout it all a thread of heat sizzles just underneath every single scene."—Obsessed with Myshelf From the Trade Paperback edition.
